CAREER OBJECTIVE

With hands-on experience in React, Express.js, Node.js, and MongoDB, I am enthusiastic about leveraging my technical skills to make significant contributions to dynamic tech projects. Also, I am keen to apply my expertise and further excel in both front-end and back-end development, aiming to drive impactful results.

TECHNICAL SKILLS

EXPERTISE HTML, CSS, JavaScript, React, Tailwind, Express, Firebase

COMFORTABLE React Query, Node.js, JWT, Rest API

TOOLS VS Code, Git, GitHub, Netlify, Vercel, Canva, Figma

PROJECTS

NextShop | E-commerce Website

[Live Link](#) | [Client Repo](#) | [Server Repo](#)

- Full Authentication using NextAuth.js with Google & Credentials
- Implemented Protected Routes for adding and managing products.
- Clean, responsive UI with smooth animations, search system, and optimized product CRUD

Technologies: Next.js, MongoDB, Node.js, Express.js, JWT, TanStack Query, Tailwind.

Tour Booking | Tour Package Booking Website

[Live Link](#) | [Client Repo](#) | [Server Repo](#)

- Authorized server routes using JWT tokens for secure user authentication.
- Implemented role-based access control to prevent users from modifying or deleting others' bookings or packages.
- Used TanStack Query mutations for fast, stable, and optimized data updates across the entire app.

Technologies: React.js, MongoDB, Node.js, Express.js, JWT, TanStack Query, Tailwind.

Import Export Hub | Export/Import Management

[Live Link](#) | [Client Repo](#) | [Server Repo](#)

- Authorized server routes using JWT tokens for secure user authentication.
- Implemented role-based access control to prevent users from modifying or deleting others' exports or imports
- Used TanStack Query mutations for fast, stable, and optimized data updates across the entire app.

Technologies: React.js, MongoDB, Node.js, Express.js, Tailwind.

EDUCATION

HSC — Rohanpur Yousuf Ali College

Session: 2021–2022

B.A. (Honours) — Currently Studying

LANGUAGE PROFICIENCY

English (Intermediate), Bengali (Native – Fluent), Hindi (Communicative)
